SolTrans Finalizes Schedule Changes on Routes 1 and 3

Vallejo, CA –Changes to Routes 1 and 3 which will take effect on Monday, April 7, 2014. These schedule changes were approved by the Board of Directors on February 26, 2014.

Responding to concerns about schedule adherence on Route 1, schedule adjustments to the route will address changing traffic conditions and slower boardings at stops along the route. The proposed schedule changes will be cost-neutral, as they do not require additional financial resources or equipment.

The outreach efforts included transit operators, riders, and the SolTrans Board of Directors and SolTrans staff is grateful for the participation of these groups.

The changes affect only weekday timed stops with most changes falling within 1-5 minutes of their current departures. Actual locations of bus stops for these routes have not changed. Route 1's first run of the morning is most impacted by the changes as it will shift twenty minutes earlier from the first pick-up of 5:50am to 5:30am. For a full listing of the proposed schedule changes, please visit www.soltransride.com or collect a flyer on board any local fixed-route bus.
